

The screenshot shows the Jira Software interface. The top navigation bar includes the Jira logo, 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', 'Apps', and a 'Create' button. A search bar is also present. The left sidebar contains a 'SmartFarmer - IoT Enabled Smart Farming Application' project card, followed by a 'PLANNING' section with 'Roadmap' and 'Backlog' (selected), and a 'DEVELOPMENT' section with 'Board', 'Code', 'Project pages', 'Add shortcut', and 'Project settings'. The main content area shows the 'Backlog' for the 'SmartFarmer - IoT Enabled Smart Farming Application' project. It features a search bar, a filter for 'Epic', and a list of issues under the 'SIESFA Sprint 4' (14 Nov – 21 Nov, 3 issues). The issues are:

- SIESFA-23**: As a user, I want to first register using my email and create password for the account and rectified issues. Status: DONE (2).
- SIESFA-22**: As a user, I have successfully rectified all the issues given by farmer and logged out. Status: DONE (2).
- SIESFA-24**: As a user, I need to have a friendly user interface to easily view and access the resources. Status: DONE (2).

A '+ Create issue' button is located at the bottom of the issue list. At the bottom of the screen, there is a Windows taskbar with the 'Activate Windows' watermark and a 'Quickstart' button.
