

JIRA SOFTWARE SCREENSHOTS OF SPRINT 2

The screenshot displays the Jira Software interface for a project named "SmartFarmer - IoT Enabled Smart Farming Application". The left sidebar shows the navigation menu with "Backlog" selected. The main area shows the "Backlog" view for "SIESFA Sprint 2" (30 Oct - 6 Nov). The sprint contains three issues: SIESFA-12, SIESFA-13, and SIESFA-14, all marked as "DONE". The interface includes a search bar, filters, and a "Create issue" button. A banner at the top asks if the team needs more from Jira, and a "Quickstart" button is visible in the bottom right corner.
